PROJECT EXPERIENCE

KANE COUNTY BICYCLE PLAN

KANE COUNTY, ILLINOIS (COMPLETED)

Terri Musser worked as a subconsultant to Edwards and Kelcey to help prepare this plan for the Kane County Council of Mayors (KCCOM), one of eleven sub-regional planning councils in the Chicago area. The KCCOM planning area includes more than 600 square miles, encompassing 30 municipalities and 14 park districts.

Ms. Musser authored the Bikeway Facility Design Guide, which defined a hierarchy of bicycle facilities, and recommended bicycle accommodations by functional street classification.

Client: Kane County Council of Mayors

Contacts: Daniel Thomas, Edwards and Kelcey (312) 384-6316
